“Celebrate Florida”

The Florida Sesquicentennial Commission was created in 1994 by the Florida Legislature to plan and lead the statewide celebration of Florida's 150th anniversary. Many activities are planned to promote the special quality of life in this state and to inspire a new confidence and sense of place among its citizens. The Florida Sesquicentennial represents a unique opportunity for all of us to take the time to honor our state. It is a time to reflect on past accomplishments and traditions, as well as to set our sights toward the future. The Commission joins with the people and organizations of this state to celebrate the unique diversity, rich historical heritage, and natural beauty of Florida. All of Florida's citizens, private groups, and government agencies are invited to participate in this celebration. For further information on commemorative activities in your area, contact the Florida Sesquicentennial Commission at the following address:

ARTICLE VII, SECTION 1, ARTICLE XII, SECTION 21
Limitation on State Revenue Collections

Limits state revenue collections to the prior year's allowed revenue plus an adjustment for growth based on the growth rate of state personal income over the preceding five years, with excess collections deposited in the budget stabilization fund until fully funded and then refunded to taxpayers. Defines "state revenues." Allows the Legislature to increase this limit by 2/3 vote. Requires adjustment of the limitation to reflect transfers of responsibility for funding governmental functions.
